

STATE OF CALIFORNIA  
DEPARTMENT OF GENERAL SERVICES – PROCUREMENT DIVISION  
Purchasing Standard DGS-391115-A  
**OFFICE DESK LAMPS**

**1.0 SCOPE**

The purchasing standard herein establishes minimum Environmentally Preferable Purchasing (EPP) requirements for stand alone office desk lamp fixtures.

**2.0 ENVIRONMENTALLY PREFERABLE PURCHASING REQUIREMENTS**

Products must meet the requirements established herein to be considered EPP. Stand alone desk lamps must be certified by a minimum of one third-party environmental certification and/or meet the minimum Postconsumer Recycled Content (PCRC). EPP approved third-party certifications and PCRC by commodity type are as follows:

Office Desk Lamps			
Commodity	UNSPSC	Certifications	PCRC <sup>[1]</sup>
Floor lamp fixture	39111509	Energy Star	10%
Halogen lighting fixtures	39111520		
Fluorescent fixtures	39111501		
Light emitting diode LED fixture	39111544		
Desk fixtures	39111507		
Table lamp fixture	39111510		
Undercabinet fixture	39111528		

<sup>[1]</sup> Metal Products must contain a minimum of 10% PCRC to be considered State Agency Buy Recycled Campaign (SABRC) compliant.

**3.0 RESOURCES**

See the [Buying Green website](#) for additional information on office supplies.
